

June 15, 2018

Dear valued customer,

Effective July 1 2018, or as soon as contracts allow, DuPont Transportation & Advanced Polymers will increase prices globally for all DuPont™ Zytel®, DuPont™ Zytel® HTN and DuPont™ Minlon® products by the equivalent of \$600 per metric ton.

This will be applied globally and higher increases may be required for some specialty grades. Your Account Manager at DuPont will provide more details.

As always, thank you for your business, and we look forward to continuing to serve you.

Best regards,

Tony Qian
